

Michigan State University Olivet Chem Club: Chemistry Day at Impression 5 Event Form 2015

Event - Overview							
Name of the Event*	Olivet Chem Club: Chemistry Day at Impression 5						
Brief Description*	Eleven members of our club went to the Impression 5 center in Lansing and put on a chem demo for elementary students. The demo's included making swirl art with shaving cream and food coloring, dry ice rockets and a matching game all related to the "Chemistry Colors Our World" theme.						
Organization*	Michigan State University						
Year Held*	2015						
First time event?	<input type="checkbox"/>						
Primary Contact*	Susanne Lewis

Event - Narrative and Nomination

No award(s) are nominated for this event.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	9
What were the greatest successes of this event?	The children really enjoyed the Dry Ice rockets as well as the piece of art they could take with them.
Lessons Learned/Suggestions to improve this event	We started to run low on shaving cream so in the future we need to make sure that we have enough supplies to be able to successfully run the activity for the entire event.
Share this event with other local sections, technical divisions and international chapters.	<input type="checkbox"/>
